News and calendar of events For April 2019

LONG TIME LOCAL RESIDENT PASSES

It is with much sadness that we report the passing of local resident, Norma Raisin who was a resident of Yorkeys Knob for many, many years. Norma's daughter, Beryl informed us Norma was 99 and $\frac{3}{4}$ years old. Beryl and Norma were regular participants at the Yorkeys Knob Family History Morning Teas. The committee offer their condolences to Beryl and the family.

BAND, "AREA 13" LIKE OUR HALL

AREA 13 think the community centre, it is a great resource and are very happy to be able to use it. They were previously using a purpose built rehearsal room but sadly that has now closed, Julian, from the band said, I had used the centre a couple of years ago with another band so knew it was a great place.

The members of Area13 are myself Julian Cliffe, drums and vocal, Paul Southwell, bass and vocal, Kev Boorman, guitar and vocal, Rob Midgely guitar and vocal and John Paul (JP) guitar, vocal and harp. Paul and I are both English and the other guys are from around Sydney, we came together when two bands with a mutual bass player (Paul) joined forces and became Area13. We play a wide variety of music including covers and originals and have one album under our respective belts. Parachutes for Puppets was recorded in Cairns at Pegasus studios and is a collection of our own material with songs written by all of

us. It received quite a lot of air play throughout Australia and we did a live set on ABC radio. We are currently in the studio working on another album which is going really well, we haven't got a release date yet, but we'll keep you posted. We are playing regular gigs in and around Cairns with regular slots at The Jack, Brothers Leagues Club, Cazaly's and can be seen playing on the Esplanade from time to time plus many other places. A full list of all upcoming gigs can be found on our website www.area13.org and there is also the opportunity to listen to and purchase the last album along with other merchandise.
