A COMMUNITY GARDEN FOR YORKEYS KNOB

The Community Centre has been invited to join other community groups such as the YKCPA and The YKRA to start a Community Garden. Community Gardens have been successful in other places around Cairns and with the increased number of units and retirees moving into Yorkeys Knob, it sounds that their requests for a garden would be a good idea.

The Council would also be involved and a section of land at the Old School Park at the Community Centre would be made available to divide into plots. Individuals as well as Groups would be able to apply to have a plot.

Once the committee has had its first meeting, we will report on the Garden's progress and phone numbers to contact if you are interested.

SOME IMPROVEMENTS THE PAST MONTH

The Community Centre has purchased some basketball and tennis balls for your use at the Old School Park courts. To borrow either the tennis or basketball balls, phone the caretaker on 0438 125 670 and don't forget to return the balls after you have finished. Also, now that daylight hours are getting shorter, remember the tennis courts have lights for night use. The Caretaker will turn them for you once you have booked and paid the \$5 electricity fee. The hall's roof has had some maintenance work by Council and although the dry season is almost here it will be ready for our next wet. Finally, we have a new and much bigger white board. The old one had seen better days and has been retired to storage.

CELEBRATING KING WILLEM ALEXANDER'S BIRTHDAY

We are proud that the Cairns Dutch Club have chosen the Yorkeys Knob Community Centre again this year to celebrate King Willem Alexander's birthday. Although the Kings Birthday is the 27th of April, the Cairns Dutch Club celebrated their Kings special day in style on Sunday the 28th.
