### SOLAR UP AND RUNNING

After our successful bid via a grant from the Gambling Community Benefit Fund to have the hall fully solar powered, we are happy to announce that Replenishable Energy Pty., Ltd., Cairns, commenced the 3 day installation in late March.

The roof of the hall is now fully covered in panels on both sides. and the fuse board has been rewired ready for the switch over. We now wait with anticipation for our much smaller electricity bills.

### FLUTE CIRCLE CANCELLED

Flute Circles classes, which commenced in March, have been cancelled. We are sorry to lose them from the Community Centre. However if you require any more information phone Renee on 0428 846 799
