AFTER 13 YEARS IT'S HERE. THE GEORGE 'YORKEY' LAWSON MEMORIAL

The idea of a memorial started way back in 2005 when an information board and life size statue honoring our George was suggested at the first Festival of the Knob in 2005. A competition was held for ideas and fundraising started in earnest including the monster raffle at the festivals, film evenings and individual donations. The final artists were displayed at the festival and the Post Office for the community to vote. In 2006 the votes were counted and the winning statue by Lone White and Daina Kowtow was announced.

Unfortunately a change of committee at the Yorkeys Knob Residents Association saw the whole idea cancelled and lay dormant for many years until Sunday 3rd June 2018 when the plaque and notice board were finally unveiled. Located at the

northern end of the beach, it is a charming place to reflect and learn about Yorkey himself.
