

# Yorkeys Knob Matters

Happy new year.

This is a shorter edition of Yorkeys Knob Matters. You may be aware that the newsletter is prepared each month by volunteer time, however, in addition to the electronic distribution via our email and Facebook options, several printed versions are distributed amongst local shops and businesses for people to read. This naturally comes at an expense for printing, and the newsletter would not be possible without the generous support of our monthly advertisers that feature in each edition. It is timely to recognize these businesses who assist with the newsletter, in addition to all of the local business support throughout the year with our major events.

Over the past 7 years, many locals have enjoyed the food and atmosphere at Hidden @ Yorkeys. Mathew & Kim Kelso have been the hosts through this time and now they have moved to be with family in NSW. Please welcome the new ownership team, led by Hui Mai. Chef Shannon and many of the staff have remained and we look forward to the venue providing service to this community into the coming year.
